PROFESSIONAL SUMMARY

Highly motivated B. Tech Information Technology student with a strong foundation in software development and problem-solving. Proficient in programming languages including Python, Java, and JavaScript, along with core web technologies and data analytics tools. Demonstrated technical agility through participation in national hackathons and international paper presentations. Eager to contribute technical skills and collaborate effectively within a professional engineering team.

EDUCATION

Adithya Institute of Technology **2024 – 2028**

Bachelor of Technology in Information Technology • CGPA: 8.53 (Till Semester 3)

Sri Renuga Devi Higher Secondary School **2023 – 2024**

Higher Secondary Certificate (HSC) • Score: 85% **2020 – 2021**

Sri Renuga Devi Higher Secondary School

Secondary School Leaving Certificate (SSLC) • Score: 75%

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, SQL

Web Technologies: HTML, CSS, JavaScript

Tools & IDEs: VS Code, Git, GitHub

Data Analytics: Pandas, NumPy

PROJECTS

Movie Recommendation System **Python, Pandas, NumPy**

- Developed a content-based recommendation engine utilizing Python to filter and suggest movies based on user preferences.
- Implemented data preprocessing and manipulation techniques using Pandas and NumPy to process movie datasets cleanly.

Student Grade Management System **Java**

- Built an interactive console-based application utilizing Object-Oriented Programming (OOP) concepts to automate grade calculations.
- Designed backend logic to securely track, update, and manage student academic profiles and records.

Personal Portfolio Website **HTML, CSS, JavaScript**

- Designed and deployed a responsive personal portfolio website to showcase academic milestones, skills, and projects.
- Optimized structural semantic markup and responsive styling for seamless cross-device user experience.

CERTIFICATIONS

- NPTEL:** The Joy of Computing using Python
- Novitech:** Data Analytics Certification

ACHIEVEMENTS & ACTIVITIES

- **Participant:** Smart India Hackathon (SIH) 2025
- **Participant:** Chettinad Code Fest 2026
- **Paper Presentation:** International Conference on Advanced Innovation in Technologies
- **Paper Presentation:** International Conference on Understanding India's Foreign Policy

CORE COMPETENCIES

- Problem Solving • Effective Team Collaboration • Communication
- Adaptability & Continuous Learning
